

QLINCH™

Securement Band

**THE SOLUTION
IS SIMPLE.**

A better solution
for securing and
organizing equipment.

SAFE.

Improve patient safety & mobility. **Prevent trip hazards and keep lines off the floor** by securing with QLINCH Band.

ORGANIZED.

Easily segregate and isolate specific lines for use. Write on your QLINCH Band to further assist line identification.

SOLUTION.

Soft, pliable design will not occlude IV lines, or create pressure points.

CLEAN.

Eliminate the need for tape and sticky residue left behind

SIMPLE.

USE, RE-USE¹ and ADAPT to your specific needs. **Strong and durable enough to secure critical components** of IV sets and other cords.
